Quoting/Estimating Process

When requesting pricing on a specific job, please email us a list of the materials you need, when you need the quote back, and your expected installation date. We can then quote your project accordingly. Each job that you request pricing for will remain in the estimate form, until you tell us to turn it into an order. When your job is in an estimate form, items are not being pulled out of

inventory, so when you know you have the job, please let your salesman know. They can then place your items on order to reserve them until you need them.

Order Process

When you are ready to place an order, please email orders@greatlakeslandscapesupply.com your item needs, sizes, and quantities. Also include the date you would like the order shipped or picked up. You will receive an order acknowledgement once the order is finalized in your email. We require you to review and confirm the order, before we can move it into the delivery/pickup scheduling phase.

Delivery Process/Requirements

NEW for 2023!! When requesting a delivery, please make sure to send GLLS your order 72 hours or more in advance of the day you would like to take delivery. Please be sure to send us any additions or revisions you would like to make to your order by noon the day before your delivery. After your delivery has been scheduled and your order has been confirmed, if you desire to make any changes or additions, we will do our best to honor your request to the order, however, sometimes the truck may be full, or we simply will not be able to add to the truck with the notice given. Please know, we do our best to accommodate your needs, but we really just encourage you to get your order in as early as possible. NO greengoods addition orders will be accepted after Noon the day before your scheduled delivery.

Pick Up Process

Please give us 24 hours or more to fulfill your pickup order. These forms, rules and regulations about sales tax are available at <http://www.mtc.gov> for all in-state transactions. Companies purchasing in multiple states may visit <http://www.mtc.gov> to complete the form. The purchaser will be held liable for any tax and interest, possible civil/criminal penalties imposed by the member state if the purchaser is not eligible to claim this exemption. This certificate is effective for a period of four (4) years unless a lesser period is mutually agreed to and stated on this certificate. It covers all exempt transfers when accepted by the seller in "good faith" as defined by Michigan statute.
